THE AREA

Nice is a jewel on the French Riviera. Its mixed heritage of historical architecture, modern touches and vibrant street life makes it one of France's most visited cities. Situated between the Alps and the sea, Nice has the best of both worlds with a wealth of water sports available, cultural festivals, mountain sports, including skiing, and mountain climbing. Nearby Monaco, Cannes and Saint Tropez each offer something different. The ritzy casino and F1 extravaganza of Monaco, the cultural fashion and film shows of Cannes and the expansive beaches, bars and restaurants in Saint Tropez are all a short distance away. Nice is perfect for diving head-first into the best France has to offer.
